Dear Faithful Followers of Falun Gong,

Twenty-one years ago, the Chinese Communist Party banned the Falun Gong meditation and spiritual practice. Since then, Falun Gong's followers have been subject to abuse, torture, illegal imprisonment, and extremely cruel practice of organ harvesting. This brutal persecution is intolerable and must stop.

The Chinese government's ongoing assault on religion and faith is unacceptable and must be held accountable. I commend your remarkable resilience and commitment to fight for equality and justice under unimaginable circumstances.

Rest assured, I will also continue to be a strong supporter of ensuring basic rights to individuals throughout the world and will continue to support your community's fight for essential rights and freedoms.

Sincerely,
