Dear Falun Gong Practitioners of Wisconsin,

For 21 years, the Chinese Communist Party has been waging an intensive, comprehensive, and unforgiving campaign against those who practice Falun Gong, outlawing your spiritual movement with the intent to suppress your beliefs. Practitioners have remained strong and united against their oppression and I applaud your continued determination and perseverance.

We are blessed to live in a nation whose government may not deprive its citizens of the freedom to practice his or her religion.

Today, I join you in calling for an end to the persecution of the Falun Gong in China and support your fight for a free and peaceful future.

Sincerely,

Senator Ron Johnson
