Dear Friends:

I am writing to extend greetings to you as you gather in support of the peaceful practitioners of Falun Gong in China.

I understand that the ancient practice of Falun Gong is based on the significance of meditation and the principles of truthfulness, compassion and tolerance. These are values that foster a more harmonious and peaceful world.

Falun Gong practitioners have championed worldwide interfaith and intercultural education, thereby enriching our communities and encouraging positive change.

Thank you for your steadfast efforts to champion global understanding and world peace.

Sincerely,
