Dear Friends,

I am writing today to mark 24 years since the start of the People's Republic of China's campaign of pressure against and persecution of Falun Gong practitioners. For far too long, China has oppressed dissenting communities and threatened religious freedom. I strongly stand against these threats, and I condemn any kind of human rights abuses. As a former member of the House Foreign Affairs Committee, I will continue to raise my voice to address these issues around the world. If I am given the opportunity to vote on or amend legislation related to Falun Gong, I will be sure to keep your thoughts in mind.

Thank you for your contributions to our community.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Trone".
