Dear Falun Gong Practitioners of Wisconsin,

For decades, the Chinese Communist Party (CCP) has been waging an intensive, comprehensive, and unforgiving campaign against religious and ethnic minorities in China, including Falun Gong, Uyghurs, Christians, Muslims, and Tibetans. Reports of arbitrary detention, discrimination, torture, and even organ harvesting are extremely troubling, and the CCP must be held accountable for such actions. Despite this deplorable treatment, you continue to courageously oppose the CCP's repression, and I applaud your continued perseverance.

We are blessed to live in a nation whose government may not deprive its citizens of the freedom to practice his or her religion.

Today, I join you in calling for an end to the persecution of all religious and ethnic groups in China, including Falun Gong, Uyghurs, Christians, Muslims, and Tibetans. I support your pursuit of a free and peaceful future.

Sincerely,

Senator Ron Johnson
